

Saturday, February 2nd, 10:00 am
MINNESOTA NEUROPATHY ASSOCIATION
1st Program of our 23rd Anniversary Series

MNA presents a repeat of one of our most popular programs:

Circle of Conversation

You are the program! You have a great incentive to discover what works, and this is your chance to share it with others in small groups, and learn what has worked for them. What medications/treatments do you depend upon? How do you pay for your medications? Is there anything surprising about neuropathy? We'll discuss these, or questions like these, changing them every 15 minutes or so. It's OK to just share an idea, something your doctor recommends, or an article you have read.....or you can just listen. And caregivers, we want to hear from you, too!

This year, we are adding a new element to the program, and will call it "Show and Tell," after our children who were so eager to bring a pet, or an artifact, or some other odd thing to school and tell about it. Only this time, you can bring bottles of supplements, or canes, or warm socks, or Zopec devices, or anything else you want to recommend to your fellow PN members. But you don't have to. Just come -- we'd love to see you.

**Join us at 10:00 am on Saturday, February 2nd
at**

**St Michael's Church in Bloomington
9201 Normandale Blvd
Bloomington, MN
(see map on reverse side)**

(Treats and beverages available at 9:45 pm)
